PROFILE

Highly motivated and energetic first-year undergraduate student with a strong passion for Artificial Intelligence and Machine Learning (AI/ML). Actively acquiring basic programming and data analysis competencies through academic coursework and personal learning. As an integral part of the Finance and Sponsorship department in the Entrepreneurship Cell (E-Cell), where I actively participate in fundraising campaigns and partnership growth. Enthusiastic about applying technology and business skills to address practical issues and develop in a fast-paced, learning-oriented environment.
